Many events sell-out and it is best to enter as early as possible. Always contact the director and make sure they know you are coming.

HOW DO I DETERMINE MY PLAYERS AGES

Players ages are determined by how old they will be of the current year (the next year if after Aug. 1) on April 31.

WHEN WILL BRACKETS BE POSTED?

We will post our brackets by Tuesday at 10pm at the latest. Check back for possible changes though.

Payment is due Monday of the week of the tournament by 10pm or your team will not play.

WHAT IF WE NEED SPECIFIC START TIMES or SPECIAL REQUESTS?

We will make every effort to accommodate team requests, provided that they work within the parameters of field space and when your division plays. We never guarantee we can accommodate requests, but we have a very high success rate. Schedule requests must be made in writing to LBoullion_CA@yahoo.com. No requests will be accepted after the Monday 10pm deadline for payment and the earlier your team asks, the higher the likelihood of receiving your request.

WHAT IF I HAVE TO DROP OUT OF A TOURNAMENT?

A team may drop out of a tournament anytime up until 8 days before the start date with no penalty. Pull outs after that incur a \$50 pull out fee. Once brackets are posted, if a team withdraws, they are responsible for the entire entry fee.

WILL MY FIELD LOCATION OR GAME SCHEDULE CHANGE?

We make every attempt to keep changes to a minimum, but sometimes changes have to be made due to circumstances beyond our control. Always re-check your schedule on the night before the tournament to make sure that no changes have been made.

HOW DO I FIND A TEAM?

Nations has a web page listing teams holding tryouts.

HOW LONG WILL MY INSURANCE LAST?

Our insurance through August 1, 2009 and all teams will have to purchase insurance. Our insurance will cover your team anywhere that you play.
